I am enclosing

1. A copy of the bio page of my valid passport

2. A deposit of \$250 per person that guarantees my hotel reservation. I understand that the full amount of \$2,130 per every person who shares a room with a partner (or \$2,400 per every person with a private room) will be required by December 31, 2024. Make the check payable to ACM.

The price includes the Visa On Arrival fee (VOA), lodging, breakfast for each day and every meal labeled [included] in the tour description, as well as transportation, site entry fees and tips. It does not include the flight itinerary, other meals or personal spendings (souvenirs etc.) Price is refundable upon request for a \$100 fee if made before the end of the year, or 50% of the total cost if made before the trip in 2025.

Please make your flight arrangements so that you land in Basra on Tuesday 4/8. You may leave out of Erbil on Thursday 4/17 unless you want to make your own plans after the program ends. You may want to purchase your plane ticket after you pay your deposit, as plans may change and airline companies are not particularly known for their gracious refund policies.
